<b>Description</b>
<b>A compilation of humorous newspaper colomns written by Carol Achterhof</b>
<b>The story of a woman's recovery after a stroke</b>
<b>The story of a family's struggle to cope with their teenage son's head injury. Written in free verse.</b>
<b>The story of an artist overcoming a medical condition</b>
<b>Information on cancer and participating in thr fight for recovery</b>
<b>Illustrated story for children with information on dealing with brain injury in the family</b>
<b>Information on sexuality after traumatic brain injury</b>
<b>A text that takes students through the whole research process</b>
<b>How to identify, understand, and cope with difficult people</b>
<b>Wife tells story of family journey after husband's BI.</b>

<b>Story of how a gymnastics judge copes with a TBI that affected her cognitive skills and memory</b>
<b>Information for returning troops and their families concerning Post Traumatic stress Disorder</b>
<b>Guide to organizing a group to care for an individual who is ill</b>
<b>Concerning time management; how to create a more peaceful, simpler life from the inside out</b>
<b>Written by a wife and mother after husband's brain injury. Revised from orig 1988 edition.</b>
<b>WRAP is a system for monitoring, reducing and eliminating uncomfortable or dangerous physical symptoms and emotional feelings</b>
<b>A "what to do if..." book for families of persons with a brain injury - includes case examples</b>
<b>Focuses on how the family can adjust and survive the trauma related to head injury, and how they can help</b>
<b>Provides tools and facts to aid in the recovery from a mild traumatic brain injury</b>
<b>Provides a means of learning about the structure and function of the brain through directed coloring</b>
<b>Chapters that lead survivor/reader through traditional and complementary medicine, nutrition and rehabilitation.</b>

<b>Overview of brain injury, recovery, post-injury adaptation and "life rehabilitation" with a mixture of science and practical recommendations.</b>
<b>Resource that provides suggestions on issues related to sexuality and people with intellectual disabilities</b>
<b>Information on how to manage when a loved one is ill</b>
<b>How-to book on why one is messy and how to become more organized</b>
<b>DVD autobiographical show of Jennifer Field's journey after her brain injury</b>
<b>How one girl's life changes after she falls from her horse</b>
<b>Provides a practical, interdisciplinary approach to the rehabilitation of the brain-injured adult</b>
<b>A resource to help overcome obstacles and achieve goals</b>
<b>A resource for the partner and family of an individual with TBI, providing information on sexuality</b>
<b>Resource for info and experiences about BI as families begin the journey.</b>
<b>Information on all aspects of the head-injured college student</b>

<b>General information for families concerning the care of children and teens with TBI</b>	
<b>A mother's account of her son's injury and reconstructing life after brain injury</b>	
<b>Teaches the application of ancient meditative techniques to modern living</b>	
<b>Biology of Memory</b>	
<b>A book that shows how to plan and prepare for career success</b>	
<b>A neurologist's view of evolution told through clinical tales</b>	
<b>A book written to facilitate efforts to extend the continuum of care for persons with traumatic brain injury</b>	
<b>A reference for veterans</b>	

<b>Research &amp; clinical findings for the full spectrum of head injury rehab from acute-care to return to home &amp; school.Mild brain injury discussed.</b>
<b>The brain in relation to sexual behavior in humans</b>
<b>Science of how humans experience/perceive music and its role in our lives. Synthesis of psychology, neuroscience and musical examples.</b>
<b>A journal of a woman after her TBI</b>
<b>Organizational strategies</b>
<b>Delves into the experience of brain injury and the aftermath</b>
<b>Information on recovery after a mild TBI</b>
<b>The story of the central park jogger</b>

<b>2 students w/ dyslexia &amp; ADHD share their stories and strategies to succeed in college</b>
<b>Guide to finding employment and changing careers</b>
<b>A woman's experience after her son is seriously injured in a motorcycle accident</b>
<b>Illustrates the twelve Jewish steps to recovery; specifically concerning addiction</b>
<b>A doctor's account of her own head injury</b>
<b>A Vermont nurse's journey w/ aphasia, etc. after stroke</b>
<b>A survivor's struggles to overcome brain damage and deep depression resulting from a terrorist attack</b>
<b>Guide based on experiences of many people covering topics from the emergency room to selecting a rehabilitation facility.</b>
<b>Presents a treatment approach for use in the home; includes case studies and methodology used to carry out individualized program</b>
<b>What scientists know about the brain and how we use it</b>

<b>Textbook concerning first aid pocedures</b>
<b>An exploration of the brain, where the brain ends and the mind begins</b>
<b>A children's book</b>
<b>A mother's account of her son's injury and reconstructing life after brain injuryas well as general articles on BI issues.</b>
<b>A family guide to the legal rights of the ill and injured</b>
<b>Discussion of forsensic neuropsychology</b>
<b>Highlights the clinical and research programs encompassed by the Defense and Veterans Head Injury Program</b>
<b>Mother's journey after son has severe brain injury. Their difficult relationship pre-injury was positively changed by his injury.</b>
<b>Unusual neurological cases presented in a storytelling format that is very readable. Studies of life struggles w/ neurological impairment.</b>
<b>A reference that provides parents with the information they need to cope and help their child recover from traumatic brain injury</b>
<b>A four step self treatment method to change your brain chemistry</b>
<b>Information on neuroplasticity and rehab as well as resources and strategies for coping</b>

<b>Information on treatments. Also discusses emotional reactions friends and family experience</b>
<b>Resource book for pastors, chaplains, nurses and caregivers working w/ returning service members &amp; their families.</b>
<b>Guide for service members and their families who are readjusting upon return from the war zone. Information &amp; strategies included.</b>
<b>Roadmap to help guide survivors to understand the ways that brain injury can affect their lives.</b>
<b>A story that provides a glimpse into the life of someone who has been changed by a head injury</b>
<b>A memoir; A woman's life after her spouse's brain is injured in an accident</b>
<b>Resource for persons concerned with community-based employment of persons with traumatic brain injury</b>
<b>A man's story of the change in his life after his head injury and his relationship with God</b>

<b>Overview of brain injury, rehab and resources</b>
<b>Guide to organizing</b>
